Room climate

pinox The thermostat

Thermostat "pinox", chrome plated (front and side view - original size)

The "pinox" sets special highlights and represents a functional and accomplished thermostat. The lever facilitates an easy and precise temperature setting. The "pinox" was awarded numerous design prizes.

The "pinox" is recommended for the modern living room design, especially in combination with thermostatic radiator valve "E" or the connection fittings "Multiblock T".

Thermostat "pinox" with angle pattern valve "E", chrome plated

Thermostat "pinox" and connection fitting "Multiblock T" (angle pattern), chrome plated
