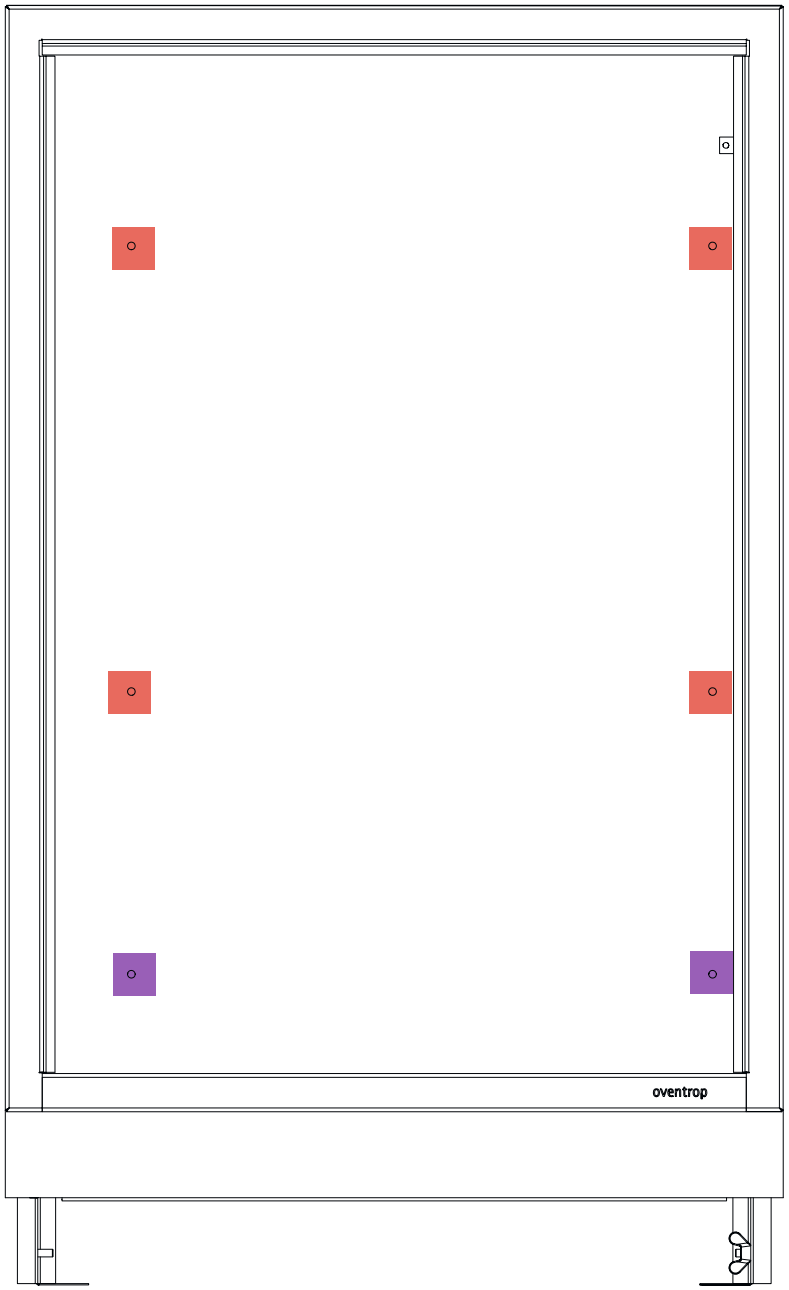
Design description of the flush-mounted cabinet for the dwelling stations Regudis W-HTF/Regudis W-HTU

Contents

Page

1. Design of the flush-mounted cabinet item no.1341070 4
2. Design of the flush-mounted cabinet item no. 1341170 5
3. Design of the flush-mounted cabinet item no. 1341177 6
4. Design of the flush-mounted cabinet item no. 1341175 7
5. Design of the flush-mounted cabinet item no. 1341174 8

1. Design of the flush-mounted cabinet item no.1341070



Illust. 1: Design of item no. 1341070

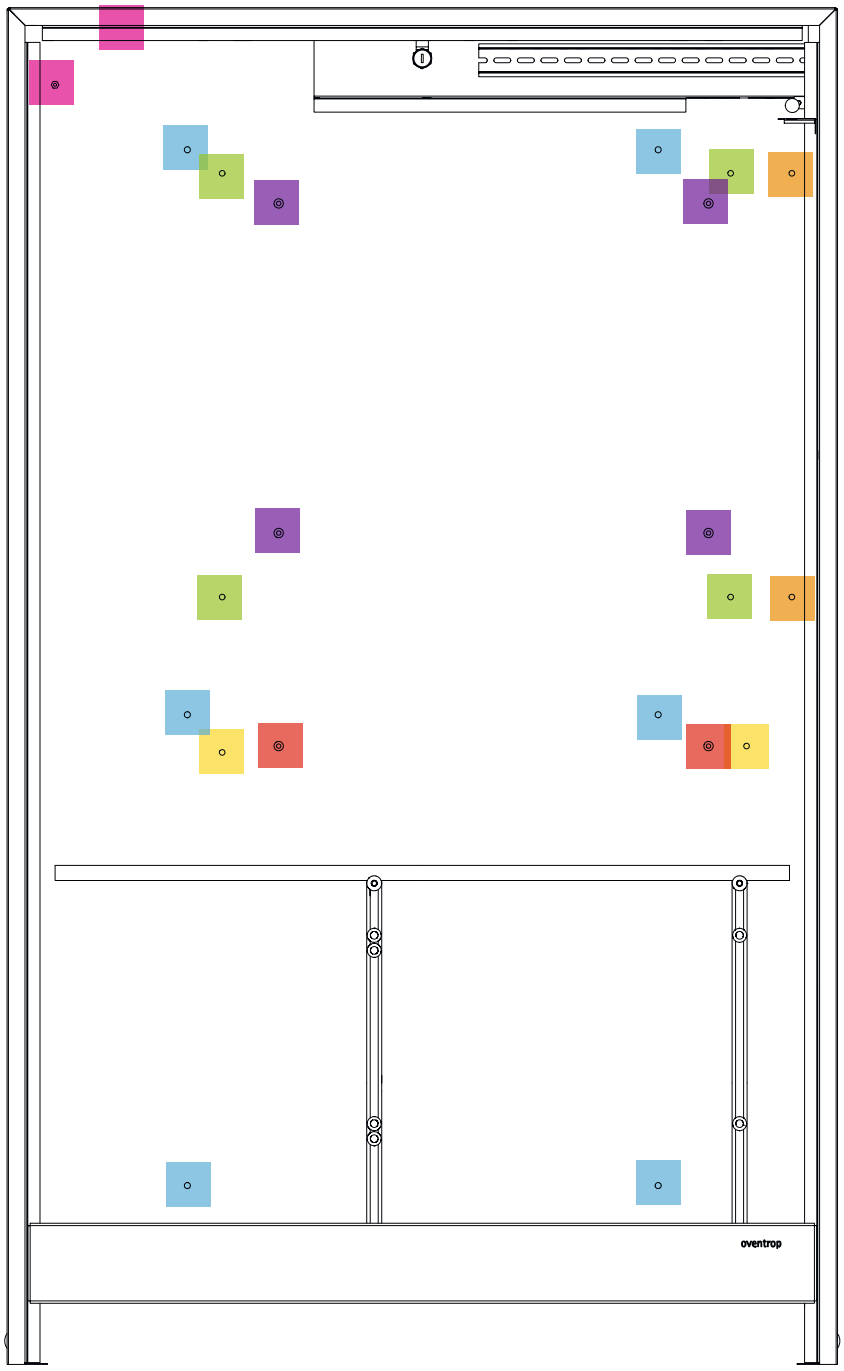
	Threaded pin for fixing of the dwelling station Regudis W-HTU
	Threaded pin for fixing of the ball valve connector block of the dwelling station Regudis W-HTU

2. Design of the flush-mounted cabinet item no. 1341170

Illust. 2: Design of item no. 1341170

	Threaded pin for fixing of the dwelling station Regudis W-HTF
	Threaded pin for fixing of other dwelling stations
	Threaded pin for fixing of the ball valve connector block of the dwelling station Regudis W-HTF

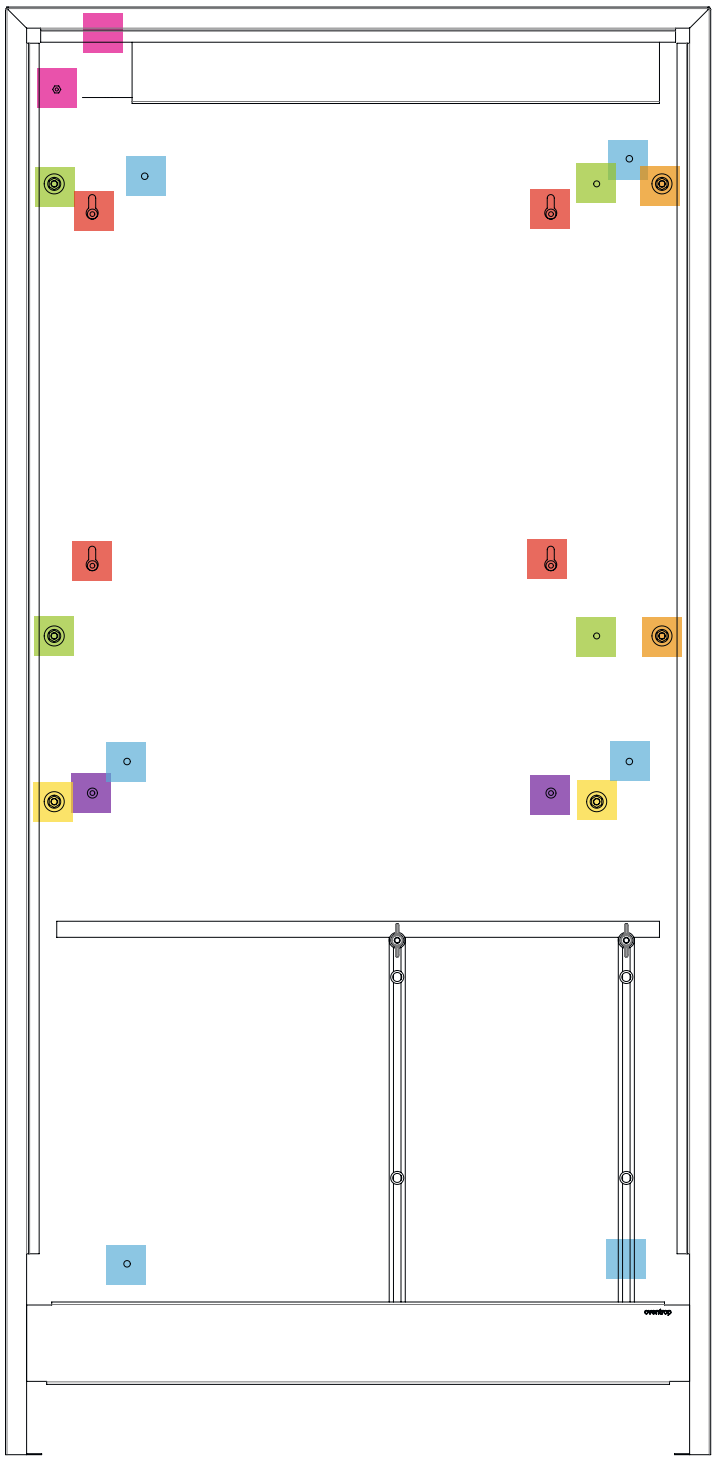
3. Design of the flush-mounted cabinet item no. 1341177



Illust. 3: Design of item no. 1341177

	Fixing point for wall attachment
	Threaded pin for fixing of the dwelling station Regudis W-HTF
	Rivet nut for fixing of the socket
	Rivet nut for fixing of the ball valve connector block of the dwelling station Regudis W-HTU
	Threaded pin for fixing of the ball valve connector block of the dwelling station Regudis W-HTF
	Rivet nut for fixing of the dwelling station Regudis W-HTU
	Threaded pin for fixing of other dwelling stations

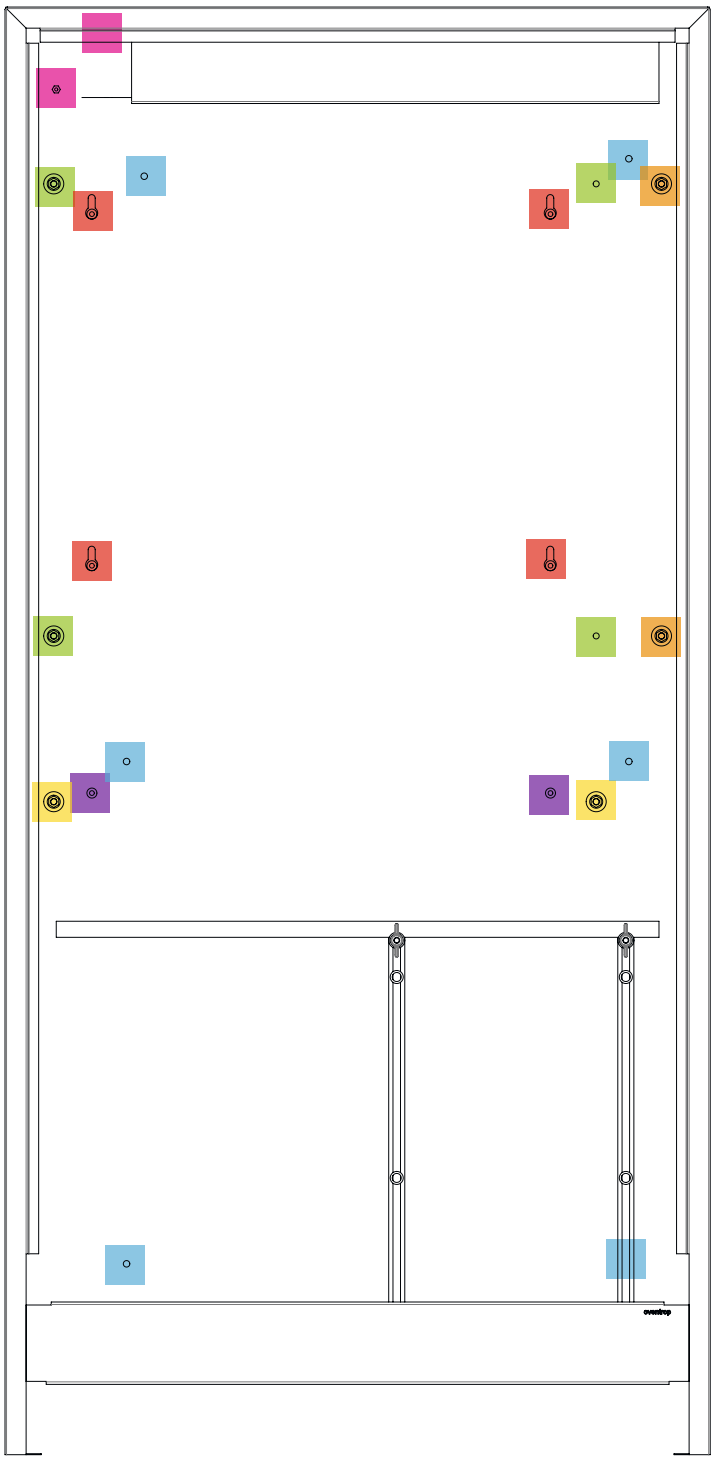
4. Design of the flush-mounted cabinet item no. 1341175



Illust. 4: Design of item no. 1341175

	Fixing point for wall attachment
	Threaded pin for fixing of the dwelling station Regudis W-HTF
	Rivet nut for fixing of the socket
	Rivet nut for fixing of the ball valve connector block of the dwelling station Regudis W-HTU
	Threaded pin for fixing of the ball valve connector block of the dwelling station Regudis W-HTF
	Rivet nut for fixing of the dwelling station Regudis W-HTU
	Threaded pin for fixing of other dwelling stations

5. Design of the flush-mounted cabinet item no. 1341174



Illust. 1: Design of item no. 1341174

	Fixing point for wall attachment
	Threaded pin for fixing of the dwelling station Regudis W-HTF
	Rivet nut for fixing of the socket
	Rivet nut for fixing of the ball valve connector block of the dwelling station Regudis W-HTU
	Threaded pin for fixing of the ball valve connector block of the dwelling station Regudis W-HTF
	Rivet nut for fixing of the dwelling station Regudis W-HTU
	Threaded pin for fixing of other dwelling stations
