Design description of the surface-mounted cabinet for the dwelling stations Regudis W-HTF/Regudis W-HTU

Contents

Page

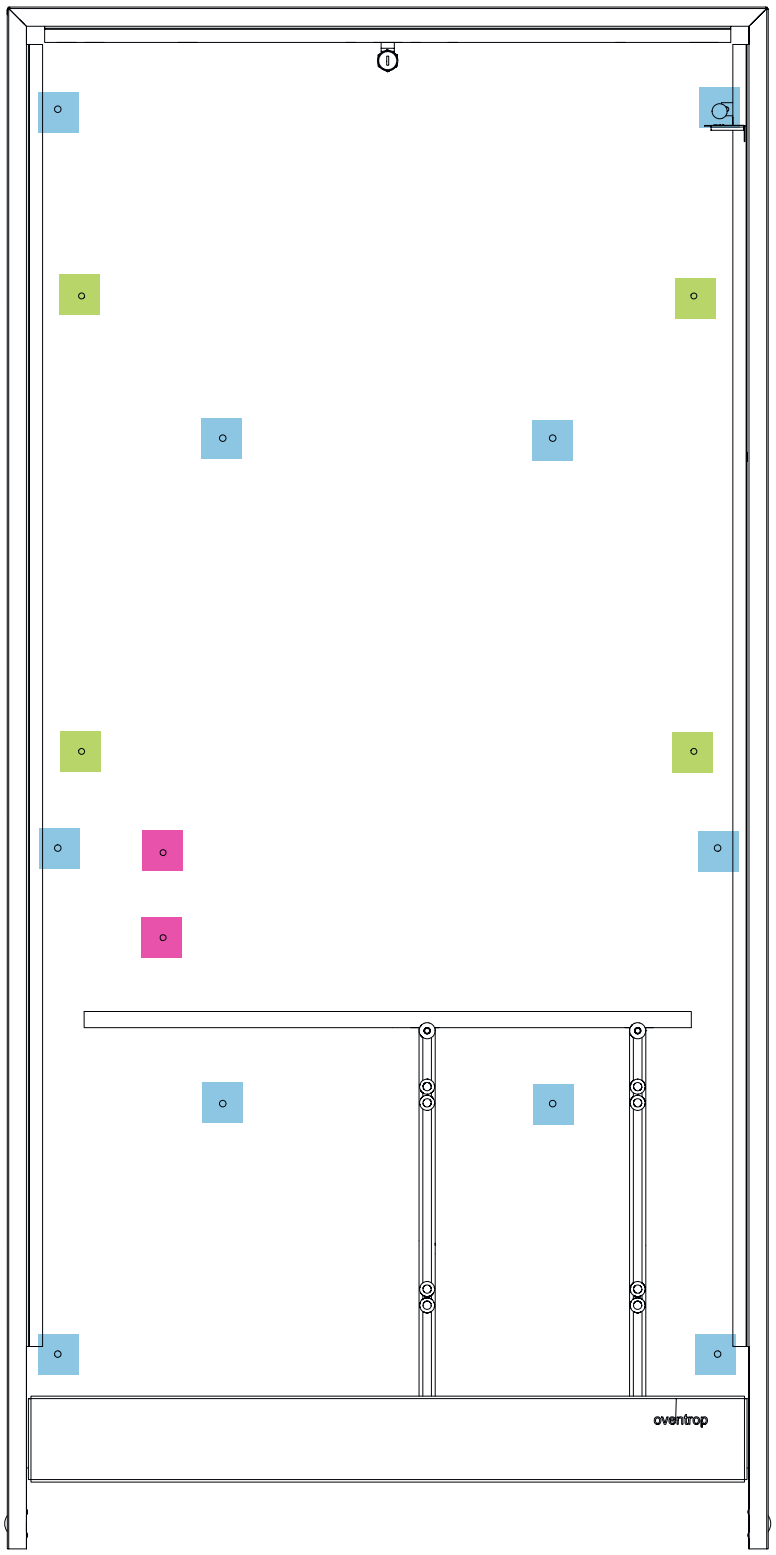
1. Design of the surface-mounted cabinet item no. 1341071 4
2. Design of the surface-mounted cabinet item no. 1341074 5
3. Design of the surface-mounted cabinet item no. 1341193 6
4. Design of the surface-mounted cabinet item no. 1341198 7

1. Design of the surface-mounted cabinet item no. 1341071

Illust. 1: Design of item no. 1341071

	Fixing points for wall attachment
	Threaded pins for fixing of the dwelling station Regudis W-HTF
	Rivet nuts for fixing of a diaphragm expansion tank
	Rivet nuts for fixing of the ball valve connector block item no. 1341080
	Threaded pins for fixing of other dwelling stations
	Threaded pins for fixing of the ball valve connector block item no. 1341180

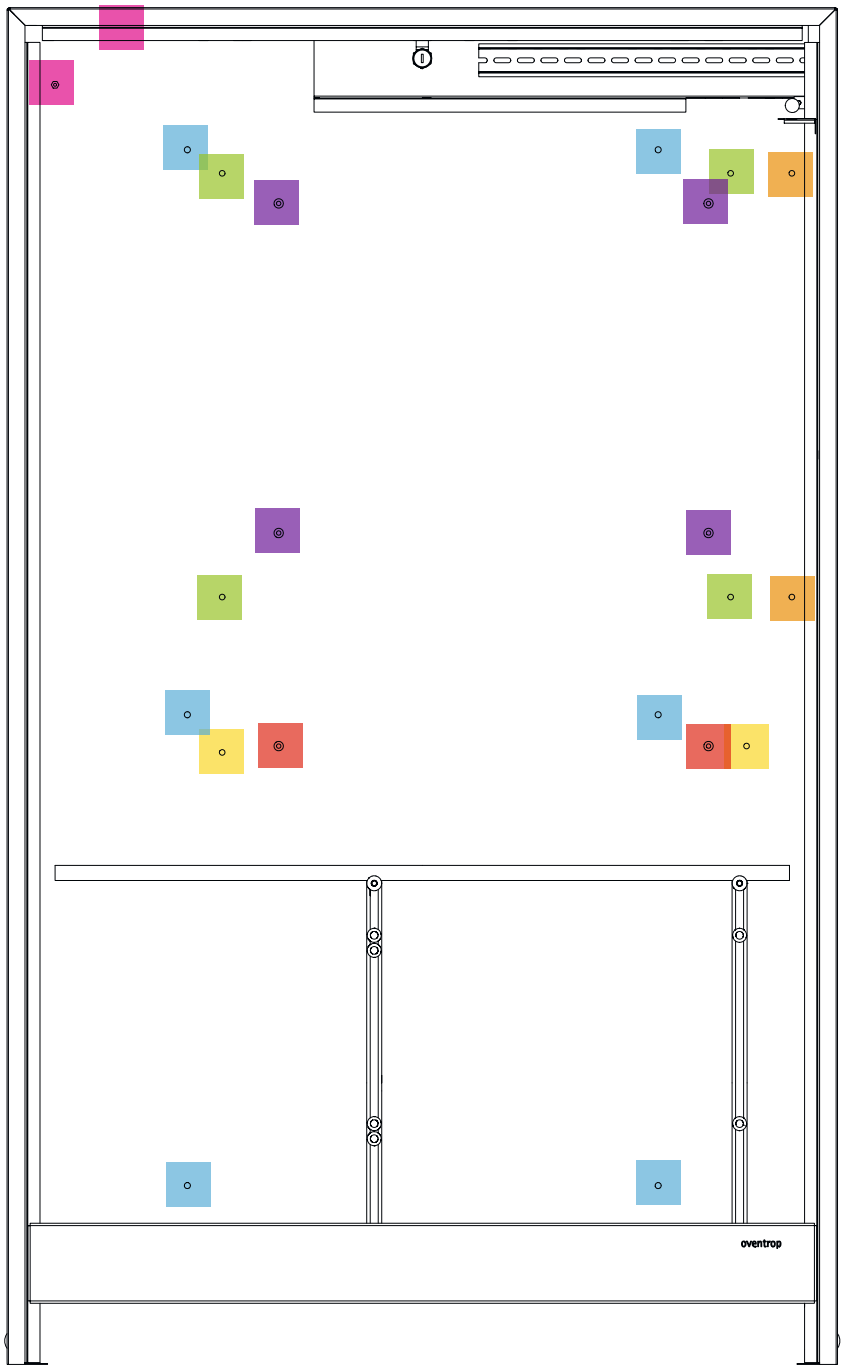
2. Design of the surface-mounted cabinet item no. 1341074



Illust. 2: Design of item no. 1341074

	Fixing points for wall attachment
	Threaded pins for fixing of the dwelling station
	Rivet nuts for fixing of a diaphragm expansion tank

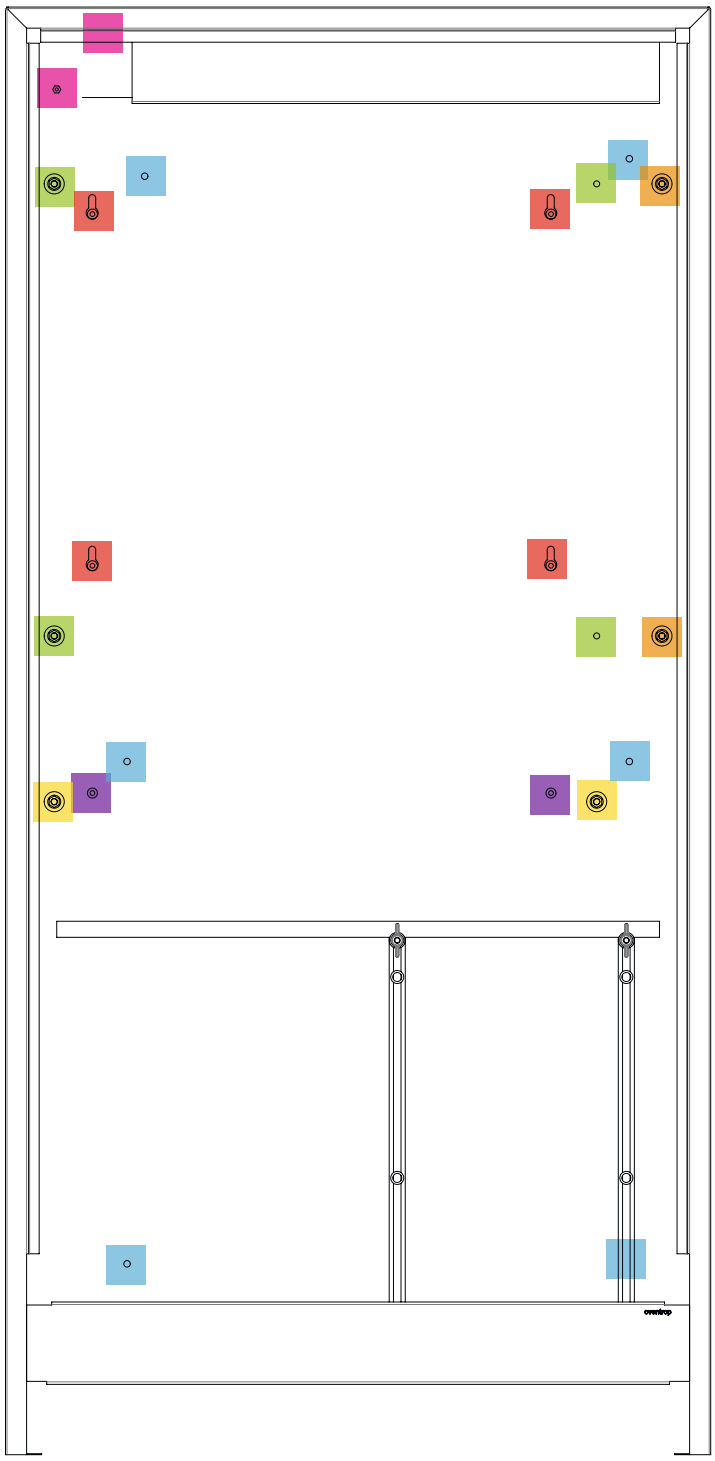
3. Design of the surface-mounted cabinet item no. 1341193



Illust. 3: Design of item no. 1341193

	Fixing points for wall attachment
	Threaded pins for fixing of the dwelling station Regudis W-HTF
	Nut for fixing of the socket
	Rivet nuts for fixing of the ball valve connector block of the dwelling station Regudis W-HTU
	Threaded pins for fixing of the ball valve connector block of the dwelling station Regudis W-HTF
	Rivet nuts for fixing of the dwelling station Regudis W-HTU
	Threaded pins for fixing of other dwelling stations

4. Design of the surface-mounted cabinet item no. 1341198



Illust. 4: Design of item no. 1341198

	Fixing points for wall attachment
	Threaded pins for fixing of the dwelling station Regudis W-HTF
	Nut for fixing of the socket
	Rivet nuts for fixing of the ball valve connector block of the dwelling station Regudis W-HTU
	Threaded pins for fixing of the ball valve connector block of the dwelling station Regudis W-HTF
	Rivet nuts for fixing of the dwelling station Regudis W-HTU
	Threaded pins for fixing of other dwelling stations
